ARYAN KUMAR | NA23B029 |
INDIAN INSTITUTE OF TECHNOLOGY MADRAS

EDUCATION & SCHOLASTIC ACHIEVEMENTS

Program	Institution	%/CGPA	Year of Completion
B.Tech in Naval Architecture and Ocean Engg.	Indian Institute of Technology, Madras	6.47	2027
Class XII (CBSE)[1]	DAV[2] Public School, New Delhi	76.83%	2022
Class X (CBSE)	DAV Public School, New Delhi	80.5%	2020

COURSEWORK & SKILLS

Modern Application Development I	Database Management systems	AI engineer Path(Scrimba)*
The Fullstack Developer Path(Scrimba)*	Series and Matrices	Learning Javascript(Scrimba)
Probability,Statistics and Stochastic Process	Basic Electrical Engineering	Principle of Economics

Languages: Python, JavaScript, HTML ,CSS, TypeScript **Miscellaneous:**Git,Github,PostgreSQL,MongoDB

Framework & Libraries: React Js , Next.js , Node.js , Express.js , flask, jinja

PROJECTS AND VIRTUAL EXPERIENCE

PayFlow
Payment Processing portal

Full-Stack Payment Processing Portal | React, Node.js, Express, PostgreSQL, JWT.

- **Engineered** a full-stack payment portal with **React, Node.js, Express, PostgreSQL & JWT**,featuring secure authentication, payment workflows, transaction tracking, and analytics.
- **Strengthened** payment security and reliability through **HMAC**-based verification and webhooks, while implementing **duplicate-payment prevention** and real-time transaction tracking.

SubTracker
Subscription Tracker

Subscription Management & Monitoring Platform | React, Node.js, Express.js, PostgreSQL.

- Engineered a subscription management platform with **JWT authentication**, **RESTful APIs**, **spending analytics**, and **automated renewal alerts**, **duplicate-notification prevention** for reliable reminders.
- **Integrated** a **Groq-powered AI assistant** with backend tool calling to analyze **subscription spending**, **categories, renewals**, and **individual subscriptions** using real-time PostgreSQL data.

DevTool
Developer Productivity CLI

Developer Productivity Command-Line Toolkit | JavaScript, Node.js, Chalk, Axios.

- Engineered a multi-command developer CLI with GitHub integration, persistent notes, UUID generation, and JSON inspection **streamlining common development workflows**.
- Designed a **modular architecture** with persistent storage and **12 Vitest unit tests, improving reliability and maintainability.**

Simon Game
simon memory game

Interactive Memory Game | JavaScript, jQuery, Web Audio API.

- **Developed** an interactive memory game using **JavaScript, jQuery, and Web Audio API**, featuring randomized sequences, progressive difficulty, input validation, and game-state management.
- Integrated Web Audio API and LocalStorage for sound effects and persistent high scores. .

Datacom
Software Development Virtual Experience

Completed a Forage virtual job simulation,applying industry-relevant skills.

- Debugged and enhanced a **React-based Cinema Finder**, translating customer feedback into targeted UI/UX improvements.
- Analyzed **React, MapLibre, and Leaflet** components to resolve navigation and map interaction issues.

POSITIONS OF RESPONSIBILITY

Hospitality Core
IISM[3] 2025

- **Coordinated hospitality, accommodation,** and **logistics** for participating IIT contingents at the **Inter IIT Sports Meet 2025**, leading volunteers and managing **airport and railway station pickups**.
- **Supervised** mess operations and volunteer teams, delegated duties, coordinated daily activities, and **resolved operational issues** to ensure efficient execution.

Design Coordinator
SOC[4]

- **Designed and managed visual assets, social media creatives, and event branding**, ensuring consistent branding across digital platforms.
- **Coordinated with the events team and delegated design tasks**, managing multiple creative requirements and delivering assets within tight deadlines.

Associate Manager
GDM[5] **E-Cell[6]**

- Designed **posters, social media creatives, and branding assets** while ensuring consistent visual communication.
- Coordinated with **cross-functional teams** and handled event photography to deliver promotional content within deadlines.

EXTRA-CURRICULARS

Schroeter[7]
Volleyball

- Secured **2nd place** in the **Inter-Hostel** Volleyball Tournament, competing against teams across the institute.
- Demonstrated strong **teamwork**, **coordination**, and **on-court performance**, contributing to the team's runner-up finish.

Oceana[8]
Cricket & Volleyball

- **Secured 1st place in Cricket** and **1st place in Volleyball at Oceana**, the intra-department sports tournament.
- Showcased strong **teamwork and competitive performance** across both sports.
